A beautifully extended five-bedroom village home blending period character with contemporary family living.

Occupying a generous plot in the sought-after village of Cromwell, April Cottage is an attractive and deceptively spacious family home offering over 2,100 sq ft of versatile accommodation. Combining the charm of a traditional cottage with a striking modern extension, the property has been thoughtfully improved to create a superb home for modern family life.

At the heart of the property is a stunning open-plan kitchen, dining and family space, extended and remodelled four years ago. Featuring a large central island, quartz worktops, roof lights and expansive aluminium sliding doors opening onto the private garden and outdoor entertaining areas, this impressive room provides an ideal setting for everyday living, entertaining and family gatherings.

The ground floor offers exceptional flexibility, with a substantial kitchen extension and open-plan living space, which is really the heart of the home, two reception rooms, utility room, contemporary shower room, boot room and two additional rooms currently arranged as a bedroom and a home office. This adaptable layout makes the property particularly well suited to growing families, multi-generational living or those working from home.

To the first floor are three well-proportioned bedrooms and a family bathroom, while throughout the property period features sit comfortably alongside more recent improvements.

Externally, the property enjoys ample off-road parking and a beautifully enclosed rear garden designed for outdoor living. With multiple seating terraces, mature trees and established planting, the garden provides a private and peaceful setting for entertaining, family activities and relaxation.

Cromwell is ideally positioned for commuters, offering easy access to the A1 and Newark. Residents enjoy an active village community, countryside walks, fishing lakes

and the popular Milestone Brewery taproom. Newark North Gate station provides direct rail services to London King's Cross in around 75 minutes, making the property an excellent choice for those seeking village living without sacrificing connectivity. Primary schools can be found at neighbouring villages of Norwell and Sutton on Trent with the excellent Tuxford Academy secondary school rated outstanding by Ofsted just 6 miles away. Sutton on Trent 2 miles has amenities including a Co-op store, delicatessen and cafe, the Lord Nelson pub restaurant, two hairdressers and Doctors surgery. Newark, Lincoln, Nottingham, Doncaster and Leeds are well within commuting distance.

This end terrace cottage is constructed of brick elevations under a slate roof covering. A modern extension at the rear was added approximately 4 years ago. The central heating system is oil fired. The living accommodation is arranged over two levels and can be described in more details as follows:

GROUND FLOOR

HALL

Vestibule with front entrance door, ceramic tiled floor.

LOBBY
